Holiday Picks For The Whole Family

New Features Add Thrills to New **HASBRO'S LAZER TAG 2-IN-1** System

Experience the thrill and competition of LAZER TAG like never before as Hasbro Inc. takes the popular game to the next level with new features including a videogame attachment for solo play. The LAZER TAG 2-IN-1 system brings the action to life with tactile elements that allow players to customize their taggers and actually feel the thrilling game of electronic tag.

WARM WHISKERS are homeopathic stuffed

animals. They are filled with lavender and buckwheat. They can be microwaved or put in the

freezer, then applied to pains or sore spots for some cute and comfy relief! Warm Whiskers Pocket Critters start at \$12.

ANAMALZ, the Australian designed, recycled and renewable wooden animal range has arrived straight from the outback.

Recent winner of the prestigious Australian International Design Award, **anamalz** is a complete experience featuring a unique line of eco-friendly wooden toys, **WILD** **anamalz** CD and educational website. Featuring 24 different characters such as Crocodile, Elephant, Hippo, Zebra, Goat and Tiger, kids will have fun collecting and playing with their new mates. (Approximate Retail Price: \$8.00 & up)

1-800 Bakery's popular edible **COOKIE PLAY DOUGH** is a favorite gift idea for 2008! It is so much fun to eat

the creations you have just baked and what a great gift idea for kids to give to babysitters, grandparents or teachers. \$32.95

Looking for that special gift for little ones? Made for the tiniest of hands, the **SWEETPEA3** is an MP3 player designed specifically for children. It comes pre-loaded with songs from Susie Tallman and Friends as well as stories by Jim Weiss of Greathall Productions. This musical player can store up to 16 hours of music in three separate playlists. With no moving or small parts, and no headphones needed, The Sweetpea3 is the perfect gift for all infants and children.
